## Consultation on the future of Greystoke Primary School's Training Swimming Pool

Dear Parents and Carers,

I am writing to you to inform you of our decision to commence a period of consultation on the future of the training swimming pool at Greystoke Primary School, Narborough.

We have undertaken a detailed review of the training pool in relation to its educational benefit, running costs, capital investment needed and its overall management. We have commissioned Swim England UK to undertake a condition report and engaged contractors who support us in the facilities maintenance.

The Discovery School trust board has approved a period of consultation to receive views from the community and key stakeholders.

Whilst we are seeking stakeholders' views and alternative ideas, but one potential option is the swimming pool's closure.

The consultation period is running for four weeks starting 1<sup>st</sup> October 2020 until 29th October 2020.

You can find more information in our consultation pack on our website: [www.greystoke.leics.sch.uk](http://www.greystoke.leics.sch.uk)
