

Greystoke Primary School RE OPENING RISK ASSESSMENT

All?Activities Covered by this Assessment	Reopening of schools – Autumn Term 2020		
Location	Greystoke Primary School	Organisation	DISCOVERY
<p>Note: A person specific assessment must be carried out for young persons, disabled staff and new and expectant mothers if appropriate</p> <p style="text-align: center; color: red;">This risk assessment has been developed in conjunction with LTS and Leicestershire County Council and must be adapted to include local hazards and subsequent local control measures pertinent to your school setting.</p> <p style="text-align: center; color: red;">Once completed, please ensure final risk ratings are added and forward to the Corporate Team for official sign off. Your school will not be able to open without a completed Risk Assessment which should also be displayed on your website.</p> <p>As part of planning for full return in the autumn term, it is a legal requirement that you should revisit and update risk assessments (building on the learning to date and the practices already developed), to consider the additional risks and control measures to enable a return to full capacity in the autumn term. Settings should also review and update wider risk assessments and consider the need for relevant revised controls in respect of their conventional risk profile considering the implications of coronavirus (COVID-19). You should ensure that you implement sensible and proportionate control measures which follow the health and safety hierarchy of controls to reduce the risk to the lowest reasonably practicable level.</p> <p>Engage with the NHS Test and Trace process: You must ensure you understand the NHS Test and Trace process and how to contact the local Public Health England health protection team. You must ensure staff members and parents/carers understand that they will need to be ready and willing to: book a test, self-isolate. Anyone who displays symptoms of coronavirus (COVID-19) can and should get a test. Tests can be booked online through the NHS testing and tracing for coronavirus website, or ordered by telephone via NHS 119 for those without access to the internet. Essential workers, which includes anyone involved in education or childcare, have priority access to testing. Health Protection Team (PHE) 0344 2254 524 (option 1)</p> <p>You should ask parents and staff to inform you immediately of the results of a test: ‘stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection’</p>			

Guidance for full opening: schools. Please refer to: <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

System of control:

Prevention:

1. minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school.
2. Clean hands thoroughly more often than usual.
3. Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach.
4. Introduce enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents and bleach.
5. Minimise contact between individuals and maintain social distancing wherever possible.
6. Where necessary, wear appropriate personal protective equipment (PPE).

Numbers 1 to 4 **must** be in place at all time. Number 5 must be properly considered, and measures identified to suit your local circumstances. Number 6 applies in specific circumstances.

Response to any infection:

7. Engage with the NHS Test and Trace process.
8. Manage confirmed cases of coronavirus (COVID-19) amongst the school community.
9. Contain any outbreak by following local health protection team advice.

Numbers 7 to 9 must be followed in every case where they are relevant.

Attendance: Pupil attendance will be mandatory again from the beginning of the autumn term. This means from that point, the usual rules on school

attendance will apply, including:

- parents' duty to ensure their child attends regularly at a school where the child is a registered pupil and they are of compulsory school age;
- schools' responsibilities to record attendance and follow up absence
- the availability to issue sanctions, including fixed penalty notices in line with local authorities' codes of conduct

For further advice on clinical and/or public health advice please refer to: <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools> - Pupils who are shielding or self-isolating

PPE:

The majority of staff will not require PPE beyond what they would normally need for their work, even if they are not always able to maintain a distance of 2 metres from others. PPE is only needed in a very small number of cases:

- Children who require first aid should continue to receive care in the same way. No additional PPE is needed because of coronavirus (COVID-19) for anyone who does not have coronavirus (COVID-19) symptoms.
- Where an individual child becomes ill with coronavirus (COVID-19) symptoms and only then if a distance of 2 metres cannot be maintained.
- Where a child already has routine intimate care needs that involves the use of PPE, in which case the same PPE should continue to be used.

It is advised that you carry out an inspection of the premises before full opening and record the findings.

Monitoring and review of risk controls

It is important that employers know how effective their risk controls are. You should monitor and review the preventive and protective measures regularly, to ensure the measures are working, and taking action to address any shortfalls.

		face coverings in a covered bin. <ul style="list-style-type: none"> Reusable face coverings are placed in a plastic bag that can be take home with them. Hands are washed again before heading to their classroom. 				added to the parent re-integration plan						
Visitors to site	Staff, pupils, parents/carer, visitors and contractors. <i>Reduced infection control which may result in spread of COVID19</i>	<ul style="list-style-type: none"> Visitors to site are restricted. Only visitors with prearranged appointments are allowed on site. Visitors are asked if they have any symptoms of COVID19 or have had contact with anyone who has symptoms of COVID19, before they arrive on site. Visitors asked to use hand sanitiser upon entering reception. Visitors entering school made aware of the Social Distancing arrangements in place and instructed to follow. 	H	M	H	If visitors become unwell with COVID-19 symptoms whilst in school they will be asked to leave immediately and advised to follow the COVID-19:Guidance for households with possible infection guidance . Visitors will be expected to read and acknowledge safe working practices in and around school. This will be shown as a poster on the entrance door and visitors will have to sign to confirm their understanding when they sign in. Visitor pod will be in operation for signing in/out and will be added to the covid marshall schedule for regular cleaning.	M	L	L	School	24.8.20	

Greystoke Primary School RE OPENING RISK ASSESSMENT

						<p>Visitors will wait in reception for the person they are meeting and will be directed to their meeting space around the outside of the school building where possible avoiding movement around school and contact with others.</p> <p>There will be no refreshments offered to any visitors on site.</p> <p>Supply staff and visitors will be instructed to bring their own mug and eating equipment.</p> <p>GFO will be considered a staff member on the days in school. Specific seat will be assigned with social distance from rest of office staff. Seating area and desk will be cleaned as part of the covid marshal duties prior to arrival. GFO will follow all other procedures as a staff member whilst on the school site.</p>								
<p>Social distancing not being carried out at drop off time.</p>	<p>Staff, pupils, parents/carer, visitors and contractors.</p> <p><i>Reduced infection control which may result in spread of COVID19</i></p>	<ul style="list-style-type: none"> Drop off times are staggered. Arrangements for drop off are communicated to staff, pupils and parents/carer in advance. Only one parent/carer attends the school. Access to site and pupils' classrooms are communicated to pupils, parent 	H	M	H	<ul style="list-style-type: none"> Queuing systems and marking on pathways will be in place where traffic is likely to be high. Year groups will be offered staggered start and end times to avoid congestion. This is clearly explained in 	M	M	M	School	24.8.20.			

Greystoke Primary School RE OPENING RISK ASSESSMENT

		<p>and carer before arrival to the site.</p> <ul style="list-style-type: none"> • Direct access to the pupils allocated classroom is available. i.e. final emergency exits. • One-way systems are used around the site. • Signage is installed i.e. <div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p>Way in</p> </div> <div style="text-align: center;">  <p>Please keep 2m apart</p> </div> </div> <ul style="list-style-type: none"> • Parents / carers made aware that gathering outside school at drop off times is forbidden. 				<p>the reintegration plan.</p> <ul style="list-style-type: none"> • Families with siblings can drop off at 8.30 when there will be staff available to receive them • Families with siblings in key stage 1 can collect their eldest child at 3.15 if they have not been given permission to walk home or to the gate alone. They will wait in the playground with an adult until parents arrive • Staff/SLT who are not classroom based, to marshal when available to ensure and maintain social distancing expectations • 2m distance floor markings to support social distancing around the whole school • Drop off zones clearly marked in the KS2 playground for each KS1 bubble/pod • Parents will be informed of their child's drop off zone. Teachers will meet their children at their allocated drop off point and escort them into the building 						
Use of cloakroom/toilet areas	<p>Staff and pupils</p> <p><i>Reduced infection</i></p>	<ul style="list-style-type: none"> • Pupils remain in their outdoor clothing until they are in their allocated classroom. 	M	M	M	<p>Nominated <i>COVID MARSHALL (Scott Murrell)</i> to check and clean cloakroom/toilet areas at 3</p>	M	L	L	School	24.8.20	

Greystoke Primary School RE OPENING RISK ASSESSMENT

	<p><i>control which may result in spread of COVID19</i></p>	<ul style="list-style-type: none"> • Handwashing follows guidance for take into account the NHS guidance found on this link: • NHS hand washing posters have been installed above sinks to give information on good hand washing techniques. • Children will be instructed to enter their classrooms and be seated, they will then be instructed to wash their hands in a planned for sequence which eliminates queuing and before touching any of their equipment • Teacher or member of staff to supervise toilet usage and inform cleaning staff of any issues. (See cleaning hazard and controls). 				<p>intervals during the day. After children arrive, mid morning & lunchtime. Contracted cleaners will then carry out an after school clean. All these will be recorded on appendix B of the Covid Toolkit</p> <p>Lockers will be in use and children will be sent to them in an orderly manner to avoid congestion</p> <p>Parents will be asked not to allow their child to bring any equipment or large outdoor clothing. Staff have been instructed to be vigilant to this at the drop off zone and to instruct parents to take home any unnecessary items including jackets and coats, weather permitting.</p> <p>Each class has been allocated a toilet (see reintegration plan map 2)</p> <p>There is a sink for handwashing in every classroom and handwashing equipment and time has been allocated in the timetable to allow for this 5 times per day</p>						
--	---	--	--	--	--	---	--	--	--	--	--	--

Greystoke Primary School RE OPENING RISK ASSESSMENT

					<p>There are 6 sanitiser stations at main entry/exit points around the school site which must be used by all children/ staff/ adults on entry</p> <p>Signage on toilet doors to indicate which group it is allocated to. (map 2 on integration plan to indicate each bubble's toilet)</p> <p>Staff have been instructed to allow only 1 child at a time from each class to go to the toilet to avoid unnecessary congestion and queuing.</p>						
<p>Social distancing not being carried out within the classroom.</p>	<p>Staff, pupils, visitors and contractors.</p> <p><i>Reduced infection control which may result in spread of COVID19</i></p>	<ul style="list-style-type: none"> • Arrangements for the day are communicated to staff, pupils and parents/carer. • Staff and pupils remain in year groups throughout the day • Teachers (and other staff) are allocated to a group and remain with their allocated group, as far as possible, during the day and throughout the whole week. • The year group distance themselves from other year groups. • Desks are placed as far apart as possible and are front facing. • Pupils are allocated a desk and are seated at the same desk each day. • When the weather dictates that 	H	M	H	<p>All rooms have been decluttered of unnecessary items to support cleaning and hygiene</p> <p>Regular reminding of social distancing rules and requirements to all children throughout the day</p> <p>Early years areas have been set up with small areas of provision with the majority of resources being washable plastic. Where possible children will have their own equipment.</p> <p>Water trays will be emptied daily</p>	M	M	M	School	21.5.20

Greystoke Primary School RE OPENING RISK ASSESSMENT

		<p>children in EYFS are learning indoors, they will be reminded of the need to keep washing hands, maintain distance where possible and to use the 'catch it, bin it, kill it' method</p> <ul style="list-style-type: none"> • Pupils remain in the same classroom throughout the day. • Classrooms are ventilated using natural ventilation (opening windows) or ventilation unit • Doors are propped open, where safe to do so (bearing in mind fire safety and safeguarding), to limit use of door handles and aid ventilation. • Pupils are encouraged not to touch their mouth, eyes and nose. • Pupils informed that they must use a tissue or elbow to cough or sneeze and use bins for tissue waste ('catch it, bin it, kill it') 				<p>Sand and water equipment will be rigid plastic and sterilized/ changed daily</p> <p>At times that children are instructed to sit on the carpet they are seated with as much space between them as possible. (as the room size allows)</p> <p>Due to the need for ventilation at all times, families are reminded to send children to school in an additional layer as the weather turns cold</p>						
Sharing equipment	<p>Staff, pupils, visitors and contractors.</p> <p><i>Reduced infection control which may result in spread of COVID19</i></p>	<ul style="list-style-type: none"> • Pupils do not share equipment. • Pupils given writing implements and forbidden from using other pupil's equipment. • Shared Teaching resources such as dictionaries, counting apparatus, word mats, calculators etc have been allocated to a classroom and will not be moved between classrooms • Soft toys and furnishings that are difficult to clean minimised. 	H	L	M	<p>Every child has been bought a pencil case and all the equipment they need to access learning. These will be labelled with the pupil's name and will be left on their table</p> <p>All teachers will have planned out the resources needed for the week to reduce congestion in the stockroom and photocopier</p> <p>Staff will be instructed to use their own equipment including</p>	M	L	M		24.8.20	

Greystoke Primary School RE OPENING RISK ASSESSMENT

						<p>their own drinking and eating implements. These must be taken home at the end of each day to be washed.</p> <p>Most early years resources in the classroom will be rigid plastic and disinfected after each session and left for 72 hours (on rotation) where necessary</p> <p>Outdoor nursery equipment will be rigid plastic where possible. This will be disinfected at the end of each day by the nursery staff</p> <p>Reception outdoor equipment will be rigid plastic where possible and disinfected at the end of each day by the reception staff</p>						
Social distancing not being carried out at break times	<p>Staff, pupils, visitors and contractors</p> <p><i>Reduced infection control which may result in spread of COVID19</i></p>	<ul style="list-style-type: none"> • Break times are staggered, and timings identified and communicated. • Pupils to wash hands before and after eating/drinking and on re-entering the building • Year groups are maintained. • Movement outside school via a one-way system where possible. • Levels of supervision considered, and additional information given to supervisors. • Procedures identified when First Aid is required. 	H	M	H	<ul style="list-style-type: none"> • Staff observe Social Distancing during break times and minimise movement around school • Staffroom chairs have been rotated so that only 1 in 3 is in use • The staggering of lunch and break times will reduce the number of staff entering the staffroom at any one time • Staff have been instructed to avoid using the staffroom as 	M	M	M	school		

Greystoke Primary School RE OPENING RISK ASSESSMENT

		<ul style="list-style-type: none"> • Activities considered, and the range of equipment reduced to minimise risk. • The cleaning of equipment following activities/between small group use will be carried out by the staff in the room that have used it. • Arrangements for 'wet breaks' are that the children stay within their classrooms and will be offered either an activity to do eg: singing songs or will be able to watch a video. At break times this will be supervised by the adults in the room and at lunchtime this will be supervised by their allocated lunchtime supervisor. • Use of toilets to ensure that social distancing is maintained as far as practicable. A member of staff will position themselves at the entry point and will ask what class the child is in. Only 1 child at a time will be able to enter the school building • Hand washing arrangements/use of sanitiser provision. • Flexibility on length of breaks • How these periods are monitored for effectiveness and how issues are reported. 				<p>a social space and to enter to make drinks and heat food only</p> <ul style="list-style-type: none"> • Children will exit via their external classroom doors and enter via internal classroom doors after break times • Staff have been advised to wear a mask during PPA and when entering the staffroom to get a drink if they wish to. • Staff have been asked to wash their hands prior and after making a hot drink due to the need to touch communal equipment eg: water heater handle 						
<p>Social distancing not being carried out at lunch time</p>	<p>Staff, pupils, visitors and contractors <i>Reduced infection control which may</i></p>	<ul style="list-style-type: none"> • Pupils to wash their hands before and after eating and encouraged not to touch their mouth, eyes and nose. • Hand cleaning facilities to be available upon entering and exiting the space allocated for eating lunch. 	H	M	H	<ul style="list-style-type: none"> • Catering provider (external provider or LTS) has own risk assessment which is shared with school. 	M	M	M			

Greystoke Primary School RE OPENING RISK ASSESSMENT

	<p><i>result in spread of COVID19</i></p>	<ul style="list-style-type: none"> • Communication with catering provider (External or LTS Catering) – hot meals will be provided in the hall at set sitting times • Tables and benches will be wiped down and sanitised between sittings • All children will be seated facing the same way on entry and then called to line up one row at a time to avoid congestion • Children who bring a packed lunch will eat in their classroom from year 2 up. - children will be seated in year group bubbles • Tables will be cleaned by designated lunchtime supervisors once children have finished eating using appropriate sanitising equipment 				<ul style="list-style-type: none"> • Children will exit via their external classroom doors and enter via internal classroom doors after lunch times • Children in years 2 – 6 except 5AW to eat their lunch within their year group in a designated classroom if they are a packed lunch. • Packed lunches from home to come in rigid plastic containers where possible and that they are named • They are kept within the classroom ready for lunchtime. Lunch boxes to be taken home each night and sterilised by parent • Each year group will have an assigned lunch time supervisor. This is indicated in the reintegration plan • Lunchtime supervisors wipe tables prior to children eating and clean indoor eating areas after use at lunch time 						
<p>Social distancing not being carried out at pick up</p>	<p>Staff, pupils, parents/carer, visitors and contractors.</p>	<ul style="list-style-type: none"> • Pick up times are staggered. • Arrangements for pick up are communicated to staff, pupils and parents/carer in advance. • Only one parent/carer attends the 	H	M	H	<ul style="list-style-type: none"> • Queuing systems and marking on pathways will be in place where traffic is likely to be high. • Year groups will be offered 	M	L	L	School

						<p>been given permission to walk home alone will be reminded of the need to walk out of school safely distanced from their peers and other families.</p>						
Outdoor play/PE	<p>Staff and pupils</p> <p><i>Reduced infection control which may result in spread of COVID19</i></p>	<ul style="list-style-type: none"> Play equipment/PE Equipment is cleaned and disinfected between each “bubble/group” of users, if this cannot be achieved then the equipment should not be used. Cleaning then disinfecting is conducted with a standard detergent (to remove soiling) followed with the use of disinfectant containing 1000 parts per million available chlorine. Resources that are shared between groups or bubbles, such as sports and playground equipment is cleaned frequently and meticulously and always between bubbles/groups or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles/groups. Cleaning and disinfecting of playground, PE and sports equipment is conducted before and after use by wraparound care providers. Teacher ensuring social distancing is in place. Only allow one bubble/group within a specific outside area any one time. 	H	M	H	<ul style="list-style-type: none"> Teacher or member of staff to supervise toilet usage and inform cleaning staff of any issues. (See cleaning hazard and controls). PE and outdoor activities follow social distancing rules. These have been planned (see PE plan from Parkland PS) A plan to manage external play areas is in place incorporating social distancing, staggering of break and lunch times, designated areas for different groups and signage. 	M	L	L	School		

Greystoke Primary School RE OPENING RISK ASSESSMENT

		<ul style="list-style-type: none"> • Contact sports will be avoided. • Outdoor sports will be prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene. • Minimise contact between individuals and maintain social distancing wherever possible. • All pupils to wash hands for a minimum of 20 seconds using soap and water before and after using PE/playground/sports equipment. • Bins with lids are provided in areas where PE is taking place to bin any tissues used for respiratory hygiene. • Tissues are kept with the teacher to facilitate “catch it, bin it, kill it”, this will help with good respiratory hygiene. 										
<p>Carrying out 1st aid</p>	<p>First Aider Person being treated by the first aider. (Carrying out 1st aid may require the 2mtr social distancing rule to be broken)</p> <p>This activity requires the 2mtr social distancing</p>	<ul style="list-style-type: none"> • A first aider will NOT be treating a person who has the symptoms of COVID-19 as specified by the NHS and Government unless life threatening condition use St John’s ambulance guidance • If a child presents symptoms of COVID-19 they will be isolated in the isolation area away from people and parents called to collect them. • If an adult presents symptoms of COVID-19 they will be asked to go home and Social Distance as per 	H	M	H	<p>Additional room (SLT room) has been designated for isolating pupils with suspected COVID-19 while collection is arranged.</p> <p>Staff member will don PPE if they cannot be 2 m apart and stay outside the room with the door open to monitor from a safe distance</p> <p>A sign on the door will indicate if this room is in use and staff will</p>	M	M	M	School		

Greystoke Primary School RE OPENING RISK ASSESSMENT

		<p>detergent followed by disinfection (1000 ppm av.cl.) goggles will be rinsed with clean water after being disinfected.</p> <ul style="list-style-type: none"> • After using the face masks, aprons and gloves will be correctly doffed and placed straight into a double bag and the bags tied. The bags will then be stored in a locked room for 72 hours before putting them into the external waste skip/bin. • where possible, all spaces should be well ventilated using natural ventilation (opening windows) or ventilation units • prop doors open, where safe to do so (bearing in mind fire safety and safeguarding), to limit use of door handles and aid ventilation • Face masks and gloves will only be used for 1 treatment of first aid they will not be used to treat a second person requiring first aid. • First aiders have been given information on how to correctly don and doff their PPE and PHE poster is displayed in the first aid room. • No food will be stored or eaten in the medical/first aid room. • After first aid treatment is given and cleaning has been completed the first aider will wash their hands with soap and water for at least 20 seconds before commencing any further work. 										
--	--	---	--	--	--	--	--	--	--	--	--	--

Greystoke Primary School RE OPENING RISK ASSESSMENT

		<ul style="list-style-type: none"> There is a dedicated room for first aid that will be used solely for first aid treatment to help prevent bodily fluids contaminating other parts of the building. 										
Intimate care	<p>Staff and pupils</p> <p><i>Reduced infection control which may result in spread of COVID19</i></p>	<ul style="list-style-type: none"> The staff member providing the intimate care will wash hands thoroughly before and after providing intimate care, using soap and water for at least 20 seconds. Use alcohol-based hand sanitiser if soap and water is not available. The first aid room will be the designated space for this. NHS hand washing posters have been installed above sinks to give information on good hand washing techniques. Face coverings (or any form of medical mask where instructed to be used for specific clinical reasons) will not be worn during this activity by those who may not be able to handle them as directed (for example, young children, or those with special educational needs or disabilities) as it may inadvertently increase the risk of transmission. Children, young people and students whose care routinely already involves the use of PPE due to their intimate care needs will continue to receive their care in the same way, using the same PPE as they have always done for this task. This PPE may include: 	H	M	H	<p>At present the school has not got any children attending who require intimate care.</p>	M	L	L	School		

Greystoke Primary School RE OPENING RISK ASSESSMENT

		<p style="color: magenta;">Gloves / Goggles Apron / Mask</p> <ul style="list-style-type: none"> • If a child becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home. A fluid-resistant surgical face mask should be worn by the supervising adult if 2 meters social distancing cannot be maintained. • After using the face masks, aprons and gloves they will be correctly doffed and placed straight into a double bag and the bags tied. The bags will then be stored in a locked room for 72 hours before putting them into the external waste skip/bin. • If contact with the unwell child or young person is necessary, then disposable gloves, a disposable apron and a fluid-resistant surgical face mask should be worn by the supervising adult. If a there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn. 										
<p>Social distancing not being carried out during the use of Staff facilities</p>	Staff, pupils, visitors and contractors	<ul style="list-style-type: none"> • Break times are staggered to reduce numbers in the room. • Staff are reminded to wash hands before and after using the staff room facilities. • NHS hand washing posters have been 	H	M	H	<ul style="list-style-type: none"> • Staff are asked only to use the staff room to make drinks and heat food. Staff have been advised to eat outside when weather permits and in their classrooms if not. 	m	L	L	school		

Greystoke Primary School RE OPENING RISK ASSESSMENT

	<i>Reduced infection control which may result in spread of COVID19</i>	<p>installed above sinks to give information on good hand washing techniques.</p> <ul style="list-style-type: none"> • Use of signs to inform of hand washing prior to entering/using facilities. • Shared crockery and cutlery is removed and staff bring their own. • Reusable sponges are removed • Surfaces are wiped down between use and door handles cleaned by Scott Murrell every hour • Dishwasher is used to clean crockery and cutlery where possible. 				<ul style="list-style-type: none"> • Central team members who visit the school regularly eg: IT technician & GFO will be considered as staff on the days they are in school and follow these social distancing guidelines. 						
Social distancing not being carried out during Catering provision	<p>Staff, LTS Catering/Catering Staff from external company, pupils, visitors and contractors</p> <p><i>Reduced infection control which may result in spread of COVID19</i></p>	<ul style="list-style-type: none"> • Robust communication links with hot meal provider established. • Procedures established for mealtimes and information communicated to staff and pupils. • Pupils' food allergy information is up to date 	H	M	H	<p>Lunch time supervisors to wear gloves during contact with children as they are distributing meals, children are eating and as staff are cleaning tables</p> <p>LTS risk assessment demonstrates that their staff have been trained and procedures are in line with school guidance for social distancing</p>	M	L	L			
Assembly	<p>Staff and pupils</p> <p><i>Reduced infection control which may result in spread of COVID19</i></p>	<ul style="list-style-type: none"> • Whole school assemblies will not take place. • Head/teaching staff addresses individual groups, within their classroom using Teams where possible 	M	L	L	<p>Daily assemblies to take place via teams live at 9am with access available via class team channels</p>	M	L	L	School		
Cleaning	<i>Reduced infection control which may result in spread of</i>	<ul style="list-style-type: none"> • A detailed cleaning schedule will be implemented throughout the school, ensuring that contact points, e.g. 	H	M	H	<ul style="list-style-type: none"> • Deep cleaning schedule available to support enhanced clean. 	M	L	L			

Greystoke Primary School RE OPENING RISK ASSESSMENT

	<p><i>COVID19</i></p>	<p>worksurfaces, door handles, taps etc. are all thoroughly cleaned and disinfected regularly.</p> <ul style="list-style-type: none"> • Hard surfaces to be cleaned with soap and water prior to disinfecting. • Disinfecting should be performed using either a combined detergent disinfectant solution at a dilution of 1000 parts per million (ppm) available chlorine (av.cl.) or a neutral purpose detergent followed by disinfection (1000 ppm av.cl.) the google and visor will be rinsed with clean water after being disinfected. • Extra attention is given to frequently touched areas and surfaces, e.g. doors, toilets, door handles, phones, light switches and door fobs, etc. as outlined in the cleaning schedule. • Hand towels and hand wash are checked and replaced as needed by the Premises Officer and cleaning staff. • Enhanced cleaning regimes in place for toilet facilities, particularly door handles, locks and the toilet flush, etc. • Only cleaning products supplied by the school are used. • Please refer to the school's COSHH risk assessments for further control measures in relation to cleaning chemicals used. • PPE required for cleaning will be 				<ul style="list-style-type: none"> • Gov.uk guidance to be monitored to ensure the most up to date information is always available. Hourly wipe down of hand surfaces by covid marshal (door handles, taps, work surfaces, toilet areas, keyboards, photocopier as detailed in the cleaning schedule) using bactericidal hard surface cleaner (conforms to EN1276)

Greystoke Primary School RE OPENING RISK ASSESSMENT

Potential Severity of Harm	High Death, paralysis, long term serious ill health.	Medium	High	High
	Medium An injury requiring further medical assistance or is a RIDDOR incident.	Low	Medium	High
	Low Minor injuries not resulting in any first aid or absence from work.	Low	Low	Medium
		Low The event is unlikely to happen.	Medium It is fairly likely to happen.	High It is likely to happen.
Likelihood of Harm Occurring				

Risk Rating Definitions	
Low	This is an acceptable level of risk. No further controls are required as the risk rating cannot be reduced any further. However, it is advised that continual monitoring occurs in order to ensure that no changes / deviation of control measures occur.
Medium	It is advised that further controls are implemented to reduce the risk rating to as low a level as possible. If the risk cannot be reduced to lower than a medium, then on site monitoring should occur to ensure that all stipulated controls are being adhered to.
High	This is an unacceptable risk rating. Urgent interim controls should be implemented to reduce the risk so far as is reasonably practicable. If the risk rating cannot be reduced to lower than a High , then a documented safe system of work should be implemented to control the activity. It may be necessary to seek further professional advice. Serious considerations should be given to the validity of carrying out the activity at all. Regular monitoring of the activity should occur.
