

Maths

Number and Place Value within 10

Addition and Subtraction

2D and 3D shape

Number and Place Value within 20

We will use lots of practical equipment to aid the children's understanding and gradually move to pictorial

PE

Team Games

Health, Fitness and Well Being

Multi Skills Activities

Integrated Curriculum

This is Me! - History, Geography and Science

Children will begin the term by looking at old and new. They will use vocabulary like, old, new and a long time ago to raise awareness of the past. Children will also find things out about the past by asking and answering questions whilst speaking to older people. Children will explore the changes that have been made within their living memory and how they have changed from birth to now. Our children will then learn the difference between human and physical geography and identify features around our local area of Narborough. They will take a walk around Narborough to identify human and physical features in the village. Children will also explore differences in old and new pictures and will also learn to write their address. Then moving to Science, our children will identify, name and label basic body parts of the human body and explain which body parts are associated with which sense. We will be investigating our

PSHE

Celebrating differences
Family and Relationships

Music

-Pulse
-Rhythm
-Voice
-Nativity songs

Phonics

Set 2

Set 3

Reception, Year 1 and Year 2 will be mixing into groups to support phonics, fluency and comprehension. We will be segmenting and blending alien and real words and reading phonics books too.

English

During the term we will be studying 'Little Red Riding Hood', 'The Gingerbread Man', 'Where the Wild Things are' and 'The Lonely Beast'. We will be sequencing the stories, using drama to understand characters and writing our own versions in a narrative. We will also create instructions, write a letter and diary while focusing on using

RE - RE Today scheme

Who is a Christian and what do they believe?

Who do Christians say made the world?

Year 1

Autumn Term 2024

We will also be having short basic skills sessions that focus on letter formation, handwriting, fine motor skills, number formation, using rulers and underlining

Art

- This is Me Self Portraits Project
- Bodies and Bones

We will be learning about various artists and studying their style of art and use this to create portraits.

Computing

E-safety - Self-image and identity

Learn the different uses that technology offers today.

Use technology purposefully to create, organise, store, manipulate and retrieve digital content.
