Integrated Curriculum

In our element
Topic focus: **History and Science**
We will be creating a timeline of events that occurred during the Stone Age and Iron Age. We will also be looking at tools, food and homes from these eras, making links and comparisons to the modern day and considering renewable energy sources for a sustainable future.

In Science, we will be looking at forces and magnets where we will be undertaking a range of investigations to test what objects are magnetic and why.
We will also be learning about light and dark where we will be investigating how shadows are created along with how they vary in shape and size.

English

Esio Trot by Roald Dahl

We will be looking at descriptive writing features, such as similes, to produce a description of a chaotic setting from a character's point of view.

We will then transfer our knowledge of the Stone and Iron Age to write a non-chronological report.

The Lion, The Witch and The Wardrobe

Our second novel we will be looking at is The Lion, The Witch and The Wardrobe where our first outcome will be a letter to the White Witch. For our second outcome we will be using our imaginations to write a description of a new world through a wardrobe.

PSHE

-Families and relationships
- Respecting ourselves and others.
- Hazards
- Health and Hygiene

Year 3

Autumn Term 2024

Maths

Number and Place Value (ordering, comparing, and writing number to 1000 in digits and words)

Addition and Subtraction

Multiplication and division

Times Tables – 2, 5 and 10

Art - Architecture

Creating A3 piece of artwork representing floor plans taking inspiration from famous architects such as Hundertwasser.

PE

Invasion Games:
-Tag Rugby
-Handball

Dance
Indoor fitness
Gymnastics

Computing

Connecting computers
Thinking about computers work and how they connect to each other over networks.

E Safety – Self-image and identity. Learning how to keep safe online.

Blended Learning – We will learn to use Teams, Flipgrid, Century and Kahoot this term.

RE – RE Today scheme

How do festivals and family life show what matter to Jewish people?
To explore and understand the religion of Sikhism.
To learn the Christmas story.
